EDUCATION:

RUTGERS BUSINESS SCHOOL

Rutgers, The State University of New Jersey
Bachelor of Science, Supply Chain Management

New Brunswick, NJ
May 2029

- GPA 3.58

FAIRMONT PREPARATORY ACADEMY

High School Diploma

Anaheim, CA
May 2025

- GPA 3.34

PROFESSIONAL EXPERIENCE:

Diamond Challenge (Case Competition), Remote (Irvine, CA)

Fall 2024

Case Competition Participant

- Developed an initial-round business proposal in a 5 people team, coordinating tasks and meeting a tight deadline
- Researched target customers and competitors in 5+ credible sources and distilled findings into a clear value proposition
- Produced an 12-14 slide pitch deck and revised content based on rubric criteria and team feedback

PROJECT EXPERIENCE:

Business Analytics Project (MIS Course)

Sep 2025 - Dec 2025

- Cleaned and analyzed 1,000+ rows of operational data in Excel using PivotTables, XLOOKUP, and conditional formulas
- Designed a MySQL relational database with 4 tables (Customers, Orders, Products, OrderDetails) and defined primary/foreign keys
- Wrote 10+ SQL queries (JOIN, GROUP BY, aggregations) to generate summary metrics and ad-hoc reports
- Delivered a 5–7 minute presentation with an 8–10 slide deck and 2–3 recommendations based on findings

Self-Initiated Data Analytics Practice

Summer 2025

- Built a practice dataset (~200–500 rows) and tracked data quality issues (duplicates, missing values)
- Created an Excel mini-dashboard (PivotTables + charts) to summarize trends and key metrics
- Wrote 10+ SQL queries in MySQL (JOIN, GROUP BY) to generate quick reports and answer business questions

SKILLS:

- Technical Skills: Excel (PivotTables, XLOOKUP, SUMIFS), MySQL (SELECT, JOIN, GROUP BY), Google Sheets, PowerPoint
- Relevant Coursework: Applied Calculus for Business, MIS, Intro to Management, Intro to Supply Chain, Macroeconomics
